

Since 1984, Uriel has been an R&D, Engineering, Management Consulting & Commercialization Organization. Uriel has an Arsenal of well over 550+ Highly Disruptive Proprietary Innovations some of which Uriel currently holds as Trade Secrets. Uriel draws upon its Trade Secrets to form Pre-Negotiated Development, Commercialization & Licensing Agreements specific to Projects of Interest, Markets of Interest, & to Countries of Interest that may be of interest to Uriel Licensees in their pursuit to gain a Global Disruptive Competitive Advantage for its Anointed Markets of Interest.

National & Global Companies that would like to form one or more Licensing-Royalty Agreements or Other Agreements w/Uriel to address the Industry Segments & Market Niches they desire to Dominate or Expand Into can seek an alliance w/Uriel. Worthy Companies that are Good Stewards, whose reason to exist in Commerce & Trade aligns w/the Ever-Greater, Greatest Good as they serve their Anointed Markets, Globally & Otherwise while upholding Good Stewardship, are the Types of Companies that Uriel Seeks to Empower through its Licensing and Other Operations. Uriel seeks to put together alliances with Worthy Companies that tenaciously stick to the Greatest Levels of Integrity, to help establish the Ever-Greater, Greatest Good in every area of National & Global importance as things relate to the Collective Cosmos as Is Good. Uriel’s Disruptive Innovations are designed to outsell & outwit products & product lines that are offered throughout the World by Negative Forces who operate to flood markets w/products that have less functionality, benefits, advantages, & quality, who only serve selfish interests that work against the Ever-Greater Greatest Good. Uriel seeks to empower Worthy Anointed Companies who truly provide the best possible Good Products that serve the Ever-Greater, Greatest Good who continually adhere to the Greatest Good Ethics. Uriel develops relationships to provide The Worthy w/access to what may be the Best Most Disruptive Good Products to help The Worthy better serve their Anointed Markets w/Products that have greater functionality, benefits & advantages, that will undoubtedly more than satisfy their Global Good Interests. Uriel can cultivate relationships w/Strategic Partners Globally & Otherwise to put together synergies between companies and nations that might band together to Dominate Anointed World Markets that might be given to them by Divine Providence where Strategic Partners may ride the Crest of every Tidal Wave of Disruption that Uriel can provide to sweep away the Momentum of Negative Forces everywhere. Uriel works to fulfill its Mission to reduce & eliminate Negative Forces & Conflicts that are Anathema to the Ever-Greater Greatest Good in every area & aspect of Life and where it can, by Empowering & Strengthening Anointed Companies to Fulfill their God-Inspired Mission(s) by providing inspired forecasted devices that need to be brought into the World Marketplace in various World Theaters of Operation for whatever the Ever-Greater, Greatest Good Calls for to establish the Ever-Greater, Greatest Good.

Uriel works to formalize Licensing & other Formal Agreements w/Companies that have a Sincere Interest in attaining Licensed Rights. Uriel’s aim in its Licensing & Other Operations are to position Licensees to Weather the Storms brought against them by Negative Forces. The Disruptive Power of Uriel Projects through Uriel’s Licensing Operations will give its Licensees Greater Power to Dominate Existing or New Markets to provide Uriel Clients a Greater National, Foreign, or a Global Competitive Advantage. Companies can request Pitch Decks for Projects of Interest from Uriel that show how Uriel-IP can produce hundreds of millions & even billions of dollars of added revenue for them.

Direct funding agreements w/Potential Licensees & Others that wish to seize Greater Opportunities for the Ever-Greater, Greatest Good, can include: Royalty Sharing Agreements, SAFEs, Equity Crowd Funding, Venture Capital, SPACs, & Other Strategic Agreements for Projects of Interest. Uriel’s War Chest of 550+ Innovations, are designed to meet the complexities of Our Time. Uriel’s Disruptive Leadership will prove to be a source of unending strength that Uriel’s Partners can learn to rely on. Uriel’s resources and alliances can further Empower “The Worthy” that Uriel may work with to further develop markets of mutual interest, where Uriel can engage in Scaling Operations after Formal Licensing & Other Agreements are entered into, where Uriel’s Resources can further expand Revenue Generating Operations for its Worthy Clients.

Uriel’s Arsenal of 550+ Innovations range from low-complexity to high-complexity & are broad in scope. Uriel’s areas of focus include but are not limited to entertainment ventures, electronics, mechanical, electromechanical, software, embedded software, mobile apps, commercial, consumer, business, industrial & government markets. Uriel is also a U.S. Government Contractor w/the CAGE CODE: 9C4D9.
